B. PLAYING ELIGIBILITY:

1. The Newport News Youth Soccer Program consists of five (5) coed leagues: Bantam (5-6 year olds), Mite (7-8 year olds), Junior (9-10 year olds), Intermediate (11-13 year olds), and Senior (14-17 year olds).
2. The league age cut-off date for the SPRING season is March 1, 2020. All players registered in the registration timeframe will be placed on a team. Any Player who is refunded from the current season's program is not permitted to be added to another NNPRT soccer team or to be placed on the waiting list.
3. All players in the Newport News Youth Soccer program will need to register before each soccer season. A \$40 resident or \$55 non-resident fee is required to complete the registration process.
4. A player may play up one league only if he/she has a brother or sister on a team in the older league and is within one season of moving up (following league age requirements). A parent or legal guardian must inform (in writing) the Athletic Office of such intent. At no time may a player play on two (2) teams in the Newport News Youth Soccer League. If a player is found playing for more than one team, the team in which he/she was NOT drafted or placed by the athletic staff will forfeit all games that the team has played up to and including the game in which the error was found.

C. TEAM FORMATION AND DRAFTING RULES:

1. The Bantam and Mite League teams will be created at random by Athletic Staff. All other age groups participate in a draft to place players. After teams are created in the Spring League, players have the option to stay with the same team for the Fall League provided they meet the age eligibility requirements.
2. The Junior, Intermediate and Senior leagues will go through a draft process to form teams. The draft will be conducted in a "snake" or fantasy style. Coaches will draw numbers as to the picking order of the draft. (For example. Draft picks 1-6 in round one, followed by 6-1 in round two.) The number of rounds in the draft depends directly upon the number of participants registered. All teams will be distributed an equal number of players until all registered children have been placed. Players must attend the draft in order to be picked by coaches. Players who are no-shows at the draft will be assigned by the draft order.
3. The sons/daughters of head coaches and assistant coaches will be automatic last picks in the draft and considered an "X" on the draft sheet. Only **one** assistant coach pick per team in the draft will be allowed. Athletic Staff must be notified **PRIOR** to draft date of any assistant coaches to the team. All assistant coaches will be announced at the draft to all teams, if there is any dispute or that person has not been registered as a coach, the draft is open for that child.
4. Brother/sister combinations will automatically be placed on the same team as long as correct age requirements are met. Parents may request that siblings not be drafted or placed on the same team.
5. There will be absolutely no trading or "swapping" of players for any reason. Once a player is drafted or placed on a team he/she will remain on that team for the duration of the season, unless an unforeseen problem arises that must be resolved by the Athletic Staff. Any coaches found guilty of trading players will forfeit all games in which the ineligible player participated, will be ineligible for any regular season trophy, and will not play in any post season games. Players may not switch teams after rosters have been finalized by Athletic Staff.
6. Requests to play on certain teams for any reason (friends, transportation, coach preference, etc.) will be noted by Athletic Staff and given to the drafting coaches, but they are not guaranteed. The responsibility of fulfilling these requests will ultimately be up to the drafting coach.
7. After the draft is finished and rosters are completed, players will only be added to teams by Athletic Staff in the event additional players are needed on the team. If a coach or team needs additional players, the request must be emailed to athletics@nnva.gov. Athletic Staff will assign players from the waiting list based on the order in which the waiting list is taken. The player has 48 hours to come in and register. Once that time elapses and the assigned player has not registered, it will move to the next player on the list. No additional players will be placed to teams after April 11, 2020 unless extreme circumstances arise.
8. A complete roster will be given to each coach for his/her team. Coaches unable to contact players with the provided information must contact Athletic Staff immediately. The addition of players to any team without the written approval of the Athletic Staff will result in forfeiture of all games in which the illegal player(s) participated and possible suspension of the coach. Players will only be added to teams after initial rosters are distributed per rule C7. Coaches cannot add players to their team under any circumstances.

D. PLAYING RULES:

There will be no exceptions to this rule.**
3. **PENALTY FOR ILLEGAL EQUIPMENT:** The head coach shall receive the first caution (yellow card) for an illegally equipped player. All subsequent cautions (yellow cards) for illegally equipped players shall be issued directly to the players and not to the head coach. The removed player may re-enter at the next legal substitution opportunity once the illegal equipment has been removed or rectified.
4. Uniforms are provided by the Parks, Recreation, and Tourism Department. The head coach is responsible for making sure each player is properly dressed. All players' shirts must remain intact. **Shirts may not be altered for any reason (for example, no cut off sleeves, no cut off shirts, and no altering numbers). All players must wear their assigned jersey provided by NNRPT for that season. Any player with a duplicate number found playing on the soccer field must be substituted immediately and cannot return until their issued jersey is worn.** Players cannot wear two different colored socks at any time (for example, one red and one blue sock). If a sweatshirt or long sleeve t-shirt is worn, it must be worn **under** the team shirt. Any hooded sweatshirt must have the hood tucked inside the back of the shirt. Sweatpants may be worn in cold weather conditions or for approved medical reasons. The Athletic Staff will make the final determination on any uniform related issue. Uniform shirts may be exchanged through the athletic office up to ONE WEEK after shirts have been distributed to coaches. After one week, replacement shirts will need to be purchased through the Athletic Office for \$15 per shirt.

H. STANDINGS:

Highest point total after all regular season games are completed will be declared League Champion.
2. **A coach (head or assistant) from each team in the Junior, Intermediate, and Senior Leagues must report the final score, regardless of a win, loss, or tie, to the Athletic Office to ensure accurate standings. Please email all scores within twenty-four (24) hours of a game being played to athletics@nnva.gov. Email is the preferred method of contact so there is a record of all reported scores.**
3. Individual awards will be presented to the first and second place teams in the Junior, Intermediate, and Senior Leagues. The Bantam and Mite leagues are considered instructional and no awards are given. If time and weather permits an end of the season tournament for the Junior, Intermediate, and Senior leagues will be offered with seeding determined by regular season standings.
