OVER

UNSPORTSMANLIKE CONDUCT All players and coaches will be suspended for a minimum of one (1) game upon notice of their third yellow card in a season, issued by the referee. Any player or coach ejected from a game, (receiving a red card by a referee), will automatically be suspended one (1) game for unsportsmanlike conduct and two (2) games for fighting. The suspension will be served during the next scheduled game (s) by his/her team. No notice of the suspension will be required. In the event a player/coach deviates from the suspension, suspension for the season will be considered.

HEADERS

Players in 12 & under and below shall not engage in heading, either in practices or in games. When a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. Any player suspected of suffering a head injury must be substituted for evaluation.

SLIDE TACKLES

Slide tackling will be prohibited during all practices and games. Slide tackle will be immediately whistled as a foul, and for these specific age groups, result in an indirect free kick. Continuous slide tackling will result in a yellow or red card, respectively. Coach should instruct their players that slide tackling is dangerous and not allowed.

USA SOCCER NEW RULE: RESTARTS IN GOAL BOX (GOAL KICKS, INDIRECT KICKS, PENALTY KICKS)

The ball is in play when it is kicked and clearly moves by the defending team. The ball will become live, regardless if the ball clears the goal box or not.

This rule WILL NOT be implement in the 6u and 8u divisions.

USA SOCCER NEW RULE: DROP BALL

A drop ball will be called when the ball hits the referee and possession is not regained by the team in possession of the ball at the time it hits the referee. If possession is regained that does not result in an immediate attack on goal then play will continue. All drop balls will be dropped to the team that had possession when the infraction occurred. Any drop ball called in the penalty area will be dropped to the keeper.
